

High and Lifted Up

You oh Lord are holy, holy is Your name
You deserve all glory, Your glory we proclaim
For Your hand is mighty, and mighty is Your love
We lift You high Lord, we lift You high above

**You are high and lifted up, You are exalted
King of kings and Lord of all the Earth
Your glory flows from Your Throne**

I lay my life before You, and I offer up my heart
Your sweet Spirit consumes me as Your love sets me apart
I'm shaken by Your words Lord as I'm covered in Your grace
Your love rains down upon us as Your Spirit floods this place

**You are high and lifted up, You are exalted
King of kings and Lord of all the Earth
Your glory flows from Your Throne**

*You are high, You are high and lifted up
You are high, You are high and lifted up*
