

Who You Are

You are more beautiful than beauty, More majestic than majesty
Love is not just what You do, it's who You are
You are more merciful than mercy, You reach far beyond eternity
Righteousness is not just what You do, it's who You are

**I worship You for who You are
Who You are, Who You are, Who You are
I worship You for who You are
Who You are, Who You are, Who You are**

You are more glorious than glory, You are the word that transcends the story
Truth is not just what You do, it's who You are
You are more gracious than grace can be, You are more real than reality
Life is not just what You're giving out God, it's who You are
You are my life Oh God

**I worship You for who You are
Who You are, Who You are, Who You are
I worship You for who You are
Who You are, Who You are, Who You are**

*My life, my joy, my strength is in You
My salvation, my hope is in You*
